AGLF 2020 Annual Conference – Urgent Announcement

Due to rapidly unfolding events surrounding the COVID-19 coronavirus pandemic, including declarations of public health emergencies and related travel advisories and restrictions imposed by many of our member firms, the Association for Governmental Leasing & Finance (the “AGLF”) has officially *POSTPONED* the AGLF 2020 Annual Conference that was scheduled to take place May 6-8, 2020 at the Don Cesar in St. Pete Beach, Florida.

The AGLF 2020 Annual Conference is being *RESCHEDULED* for Monday to Wednesday, October 12-14, 2020 at the Don Cesar in St. Pete Beach, Florida.

AGLF members who have already paid for conference registration and/or conference sponsorship will be entitled to a full refund promptly upon request; *however*, for the sake of simplification, the AGLF will automatically apply all registration and sponsorship payments received to date toward the rescheduled conference to be held in October. Should you prefer a refund, please contact the AGLF Headquarters (aglf@talley.com) to request and arrange the refund.

Within the next few months, the AGLF will re-start the registration and sponsorship process for the AGLF Annual Conference in October.

The Board of Directors of the AGLF wishes to thank all members for their patience and understanding regarding this postponement and rescheduling process, which we have endeavored to complete as soon as possible. We look forward to celebrating our 40th AGLF Annual Conference with you in October, 2020.
