45 Falls Point Landing  
Phippsburg, Maine 04562

Kim Albertson is currently employed by Schneider-Electric Buildings Americas, Inc., an energy services company (ESCO) acting as a Director of Finance. Ms. Albertson collaborates within the Municipal, University, School and Hospital (MUSH) and lender markets with the goal of connecting the right financing solutions from lenders who have the appetite to finance energy projects with MUSH market customers. Ms. Albertson brings over 25 years of professional experience combining her paralegal, lender and vendor background. She is a graduate of Hillsdale College, a current member and former Chairperson of AGLF, and an elected member of the budget committee for her local Town of Phippsburg, Maine where she resides with her husband, three daughters and a Newfoundland named Kodiak.
