

Linda Terrizzi

Vice President, Product Solutions

MicroTech

Tysons Corner, VA

Linda Terrizzi is currently the Vice President, Product Solutions for MicroTech. With over 26 years of experience in the federal marketplace, Ms. Terrizzi has held positions of increasing responsibility in the areas of Bids and Proposals, Pricing and Financial Services. Ms. Terrizzi manages an operations team that is responsible for all aspects of the origination, purchase and sale of government lease assets. Her team works closely with select partners in the banking community to service their governmental customers. This group specializes in the administration of Government contracts and is experienced in the assignment, invoicing and collection of these accounts. Ms. Terrizzi holds a degree in Accounting from Seton Hill University.
