Since the initial Fifty State Survey was published in The Urban Lawyer over 30 years ago there have been many improvements made with every new edition —as well as numerous regulatory changes. State law, federal tax law and federal securities law all require continued monitoring for changes affecting governmental units and industry participants. The 2017 Fifty State Survey is an incremental improvement of the Fifty State Survey and now covers 35 states. The survey has become an essential reference for participants in the municipal leasing industry.

Edited by Tara Mardikes of Portland, Oregon, the 2017-2018 edition of the AGLF Fifty State Survey is a **comprehensive resource on today's governmental leasing, both federal and municipal.**

The 2017-2018 Edition of the AGLF Fifty State Survey is available only as CD-ROM.
